Joke of the Month!!!

A man came home from playing golf one day and was complaining of how tired he was. His wife asked why he was so tired, because he usually did not come home this tired from playing golf.

"Well, let me tell you. On the second tee George dropped dead of a massive heart attack. After that, all day long it was: Hit the ball. Drag George. Hit the ball. Drag George..."

3 Guys in Heaven

Three guys die and go to heaven. The first goes up to St. Peter who says, "I have only one question before you go into heaven: Were you faithful to your wife?"

The guy answers, "Yes, I've never even looked at another women."

St. Peter says, "See that Rolls-Royce over there? That's your car to drive while you're in heaven."

The second guy gets the same question, and answers, "Once I strayed, but I confessed to my wife and she forgave me and we worked it out."

St. Peter says, "See that new Buick over there, that's your car to use in heaven."

The third guy answers the same question, "I have to admit, I've chased every girl I saw, and was with a lot of women."

St. Peter says, "Okay, but you were basically a good guy, so that old VW Bug over there is yours to use while you're in heaven."

The three guys go off on their separate ways.

A few weeks later, guy #2 and guy #3 are driving along when they see guy #1's Rolls Royce parked outside of a bar. They stop and go into the bar and find guy #1 with empty bottles all around him, face down with his face in his hands on the bar. They come up to him and guy #2 says, "Bud, what could possibly be so bad-you're in heaven, you drive a Rolls Royce, and everything is great!"

He says, "I saw my wife today!"

The other two answer, "That's great! What's the problem?"

He answers, "She was riding a skateboard!"

HOW THE RICH STAY RICH

Before going to Europe on business, a man drove his Rolls-Royce to a downtown New York City bank and went in to ask for an immediate loan of \$ 5,000.

The loan officer, taken aback, requested collateral. "Well, then, here are the keys to my Rolls-Royce," the man said. The loan officer promptly had the car driven into the bank's underground parking garage for safe keeping, and gave him \$5,000. Two weeks later, the man walked through the bank's doors, asked to settle up his loan and get his car back.

"That will be \$5,000 in principal, and \$15.40 in interest," the loan officer said. The man wrote out a check and started to walk away.

"Wait sir," the loan officer said, "while you were gone, I found out you are a multi-millionaire. Why in the world would you need to borrow \$5,000?"

The man smiled. "Where else could I park my Rolls-Royce in Manhattan for two weeks and pay only \$15.40?"
