

Screen Savers

(Witches and bats and Vampires...)

This Issue

It's the time of the year when ghouls and goblins go from door to door seeking a treat. This month's saver is full of sounds and images to get you into the All Hallow's Eve spirit!

Press the **How to Use** button for more information on how to install and configure screen savers and the **Manager** button to view them or delete them.
