A note from the editor:

All of the text in Realmz FAQ was compiled by ichou@helmholtz.bu.edu. I inquired about the FAQ one day and got it as a text file in my mailbox the next day. This FAQ pertains specifically to the Realmz application and the City of Bywater scenario. If it is frequently downloaded and I get a lot of responses (positive or negative), there is the possibility that a new FAQ will be published when upgrades are released. Maybe it might even cover the other scenarios. I had this great idea to spruce it up a tad with DOCMaker, and this is the result. Send all comments, requests, questions, etc... to EEKMAN@aol.com. This FAQ is e-mail-ware. All you have to do is send me some e-mail. Now that's not that bad, is it? Pass it on to friends, upload it to BBSs', other Online services, etc..., BUT DON'T MODIFY IT IN ANY WAY!!!!!! I have one request to make: REGISTER REALMZ!!!!!! This is the best fantasy role-playing game there is! Help Fantasoft continue the improvement of this awesome game!
