AXIS, The Gamecheater. Baseline Publishing unleashes AXIS, The Gamecheater, a control panel device that allows users to cheat, or "enhance", both Macintosh and DOS computer games. While playing, users can outfit themselves with additional lives, weaponry, fuel or whatever will enhance each particular game.

AXIS is activated by the user through the use of assignable hot keys. Before playing a game, the player can open the AXIS control panel, choose the game to be played and assign the cheats to a specific hot key. Over 50 Macintosh games are currently supported by AXIS.

AXIS, the Gamecheater will run on any Macintosh from a Plus to a Quadra (including Powerbooks) with 1 or more megabytes of memory, using system 6.0.7 or greater. Baseline Publishing, 800/926-9677.

Freddy Pharkas. The year is 1888, the setting, post-Gold Rush California. As Freddy Pharkas, Frontier Pharmacist, you uncover a treacherous plot to turn your once-thriving metropolis into a ghost town. With pestles and pistols, you defend your bucolic burg from one catastrophe after another. Arson, stampedes, hired guns, riverboat gamblers, even terminal flatulence! Every Hollywood Western cliché and character is here. You'll meet the pretty, but shy, Schoolmarm, the Madame with the Heart of Gold, the faithful Indian sidekick, and a cast of the most memorable characters ever to grace your monitor's silver screen. Point and click your way through sagebrush, livestock, cacti, buzzards, and swinging saloon doors. Drink your own mistakes from an authentic, working, late 19th Century laboratory! Unlock your hidden potential with your very own copy of the Home Medical Advisor, 1881 edition. Learn (and quickly forget) the real words to The Ballad of Freddy Pharkas!
