## Copyright Warning

### Special Note and Warning

The Roland GS Sound Set/Microsoft, the "Sample Set", incorporates the SoundCanvas Sound Set. Roland Corporation U.S. owns the Sample Set and all copyrights pertaining thereto and has licensed the Sample Set for use solely on Microsoft Operating Systems Products and Microsoft Application Products. Roland reserves all rights to the Sample Set not expressly granted by Roland Corporation U.S. or by Microsoft under the terms of Microsoft's End User License Agreement.

The Sample Set may only be redistributed with your software application as an integral component of a Microsoft Operating System Product and under the terms of Microsoft's End User License Agreement. All other uses of the Sample Set require a separate written license from Roland Corporation U.S..

The Sample Set may not be used, copied or redistributed in hardware ROM or similar technology of any device without prior express written permission from an authorized representative of Roland Corporation U.S.. The Sample Set may not be redistributed with any Musical Instrument. A "Musical Instrument" is any device that is capable of generating musical sounds without being directly connected to a computer with a licensed Microsoft Operating System. You may not modify the Sample Set under any circumstances.
