

Prairie Dog Hunt PRO '97

from Diversions Software

Copyright© 1997 Diversions Software

OK... One more time for the fanatics !

I offer you the fourth installment of the Prairie Dog Hunt line of arcade action games.

Prairie Dog Hunt PRO '97 is the sequel to last years Prairie Dog Hunt PRO.

Improvements include:

3 new weapons (Shotgun, Grenades and the PDH 5000).

Improved interface, Prairie Dog and terrain graphics.

Improved multi-adjustable Scope Zoom feature.

Cool explosions.

Cheaper price.

Simulation or Arcade Mode.

Wind effects (in Simulation Mode).

More Ammo.

Much more fun.

For Full Details on how to play, please view the games online help.

ORDERING INFORMATION

Sales of fun, destructive, yet, enjoyable software like Prairie Dog Hunt PRO '97 are my source of income, if you enjoy playing it, do pay for it. That way, I can continue to drink caffeine loaded soda, and crank out more titles for the coming years (don't worry, there's some neat stuff headed your way...). If you don't pay for it, I'm not liable for any Prairie Dogs that invade your neighborhood....

Prairie Dog Hunt PRO '97 can registered ONLINE with CompuServe. Just GO SWREG and search for keyword 'Diversions'. The registration fee will be added to your monthly CompuServe bill. It's that easy.

OR

Print the ORDERFRM.WRI file distributed with the game, write a check (US funds), and pop it in the mail.

**No Prairie Dogs were hurt during the development of this product*
