

**How to clean out Windows
removing Action! 2.5, AVI, FLI, and QTW support**

1. Delete everything in the ACTION25 subdirectory and all subdirectories below that.
2. Remove the following files from the WINDOWS directory:
ACTION.INI
QTW.INI
3. Remove the following files from the WINDOWS\SYSTEM directory:
AAPLAY.DLL
AAVGA.DLL
MCIAAP.DRV
MCIABI.DRV
MSVIDEO.DLL
INDEO.DRV
MSVIDC.DRV
4. Edit SYSTEM.INI. Remove the following lines in the [mci] section:
AVIVideo=mciavi.drv
Animation1=mciaap.drv
5. Edit SYSTEM.INI. Remove the following lines in the [drivers] section:
VIDC.MSVC=msvidc.drv
VIDC.RT21=indeo.drv

That should do it!
