

## What Interactive Sex Is All About

Your goal when playing Private Pleasure Park<sup>1</sup> is to enter Pussy Heaven! The red light district of a European city becomes a truly interactive world.

You get to choose girls and play with them, going for maximum sexual stimulation.

You can experience sexual sensations and erotic happenings you did not think existed.

To succeed you have to explore every corner of the erotic Pleasure Park area.

Remember to check your dirty mind by clicking on top of the screen. This will give you valuable information about the vast sexual possibilities to explore.
