

Hard bodies doin' hard time the hard-core way!  
A unique Erotic Adult XXX Hard-Core Arcade game.

Private Prison is set on a luxury prison island. Fly your chopper around the island, find all the inmates and watch them fuck like noone has ever fucked before.

The Private Prison bad girls are sex starved, hardened criminals, willing to do anything for a cock. The only way for you to catch some action is by re-establishing the broken video links. If you can make your way thru the mazes you'll find out for yourself just how needing these women are.
