

Private has been at the forefront of sexual entertainment for 30 years.

Not surprisingly, Private's trademarks - incredible international beauties, heart-stopping sexual heat and stunning production values have made Private the world leader in the bursting phenomenon of adult CD-ROM. !

Now, our valued customers have an opportunity to sample five of the hottest, most interactive CD-ROMs on the market, all at one incredibly low price!

The Sampler demonstrates high-intensity interactive sexual encounters, lust-drenched arcade action games, plus steamy hard-core video clips and nasty still photos from Private's archives.

This disc will give you a taste of the high quality and sexual fun of Private's first five American CD-ROM releases Private Pleasure Park 2 (PC & Mac), Private Investigator (PC only), Private Pornmania (PC only), Private Collections 1 (PC only) and Private CD-ROM Magazine (PC and Mac). (The Sampler is an inexpensive way to preview these titles. Each CD-ROM is available now; call for pricing.)
