

Private's newest video sensation returns with 103 minutes of juicy raunch, highlighted by a German brunette taking on three big cocks in an airplane hangar, with great anal sex and even better double-penetration.

All three unload huge deposits of splooge on her pretty face. Beautiful blonde Christelle is hosing herself off when four studs approach her for a gang bang. She obliges, royally fucking each one and taking a few loads of facial cum for good measure.

A beautiful French redhead gets picked up by a Parisian jogger, who fucks her hard. She is double-penetrated by the jogger and his friend before enjoying two long cum blasts in her mouth.

Another orgy, plus some behind-the-scenes footage, leads up to a fabulous finale, wherein a gorgeous Hungarian babe is gang banged by five firemen.

They get their cocks sucked, fuck her pussy and asshole! After some double-penetration, this pretty slut takes five facial cum shots!
