

With fabulous new graphics Private's Triple X series has topped the American charts. Triple X, Volume 10 stuns the senses with 90 hard-core minutes of spectacular, cum-dripping porn, featuring a bevy of new European beauties never before seen!

Two gorgeous brunettes with hairy pussies get furiously double-fucked in a nasty game of "Strip Poker." In the usual Private style, they both end up with facefuls of hot jism.

In "Happy Birthday," a French stud's gift is three pretty maidens, all of whom suck his long dong, get fucked in their pussies and share a taste of gooey spunk. In Paris, beautiful blonde Stina gets picked up by two guys who want blow-jobs.

They fuck her, ram their dicks in her gaping asshole and royally double-penetrate her.

After a third stud joins the action, her face is spewed with three loads of sperm. In a really nasty finale called "Cleaning Lady," a voracious blonde sucks three hard cocks

She gets fucked upside-down and rightside-up, has her asshole banged and enjoys a lovely double-penetration before wallowing in three massive loads of cum. Incredible!

Don't miss this one...;-)
