

AlienTap v2.5

Some serial numbers in this program were copied ether from WireTap v1.96, The Informant v9.96 or from AlienWare v1.0. If you know of any other lists of serial numbers or know any other serial numbers please e-mail them to me at macosm@geocities.com. You should also visit my hacking page at <http://www.geocities.com/SiliconValley/Heights/1466/index.html> to get more cool programs and documents for Mac.

The author of this software i.e AlienTap is not responsible for ANY actions taken by a user of this program i.e AlienTap. And can not be held responsible for ANY incriminating acts or anyother...

From the menu at the bottom of this window chose the first letter of the name of the program that you want a serial number for. Or use the "Contents" menu on the menubar to get to the chapter you need. To use the find function press comand - F and type in the name of the program in the field provided

This application took me quite some time to make, so if you want to see the next release come out soon please e-mail me at macosm@geocities.com and tell me of ant serial numbers that you know of. The latest version of AlienTap can always be downloaded from <http://www.geocities.com/SiliconValley/Heights/1466/alientap.sit>

This application was created on October 11, 1996
