

Default file

This is a default HTML document. It's a plain WWW page which includes a title, a background picture (in a file named "bg.gif"), a header and your email address as a link.

```
<HTML><HEAD><TITLE>Title</TITLE></HEAD>
<BODY BACKGROUND=bg.gif>

<H1><CENTER> Header </CENTER></H1>
```

Text

```
<HR><ADDRESS> Last updated ... <BR>
<A HREF=mailto:your_email>Mail me!</a>
</ADDRESS></BODY></HTML>
```
