Multimedia Talking Bingo will automatically call a whole evening of BINGO games for you. Now everyone can play along while the automatic caller announces each ball. You can print an unlimited supply of randomized BINGO cards on any Windows supported printer. You can even print super sized cards for young children, the elderly or the vision impaired.

**Features include:**

- **Print your own BINGO cards.** With page headers, footers, up to 16 cards per page.
- **Randomized ball selection.** There is no way to predict or control which ball will be called next.
- **On screen call tray.** See which balls have been called.
- **Adjustable calling speed.** From 5 to 30 seconds between calls.
- **Manual Calling.** Click "Call Now" to call the next ball immediately.
- **Multiple game modes.** Calls only the letters needed for: Regular, Big/Little Diamond, Corners, Postage Stamp games..
- **Voice Selection.** Male / Female
- **Custom voice** - Record your own voice.
- **Sound Effects.** Tumbling and dropping balls.
- **Automatic game restart / recovery.** Resume current game at the point of interruption.

## **CONDITIONS UNDER WHICH THIS SOFTWARE MAY BE COPIED AND DISTRIBUTED:**

Individual users may freely copy this software and share it with friends, family and upload to their favorite BBS's. Nonprofit groups (including user groups and BBSs) may distribute copies of this disk. A fee of no more than \$5 may be charged to cover copying and distribution costs. If the files on this disk have dates that are more than 1 year old, we request that you contact the author for a free upgrade to the current version.

Disk distributors and dealers must have written permission before selling copies of this disk. When you contact us, you will receive a free copy of the latest version and you will be placed on our mailing list to receive updates as they are released. Disk distributors may charge no more than \$5.00 per disk for copies of this software. If as a distributor, you supply copies to other resellers, the end price to the user may not exceed \$5.

CD-ROM distributors may distribute this software as long as the total cost of the CD does not exceed \$25.00, and the following conditions are met:

Anyone distributing copies of this software, whether for profit, or as a non-profit organization, must conform to the following:

The files on each disk must not be modified or adapted in any way. All of the files provided on the disk must be distributed together. Individual files or groups of files may not be sold separately. Additional files may be added and this software may be combined on a disk or CD-ROM with other programs.

This software may not be represented as anything other than shareware and the shareware concept must be explained in any ad or catalog that includes this software and on any packaging used to display the disk.

You must immediately stop selling/distributing copies of this disk upon notice from the author.
