

# New Release

## **Windows 3.1 support -**

This version was designed for use with Windows 3.1. It is not compatible with earlier releases of Windows.

## **Math -**

Included is Addition, Subtraction, Multiplication, Division. Each has a Level setting that will determine the difficulty of each problem.

## **Test -**

Test is for One(1) Minute, Final Score will be displayed and then stored.

## **Levels -**

Parent or Child may select level of difficulty. Parents can monitor child's progress using Print Function.

## **Print -**

This function prints results of test. It tracks: Child's Name, Final Score, Type & Level Selected, Date & Time.

*Note: This file (Scores.txt) will increase in size, some older scores may be deleted by Parent..*

## **Sound -**

You must have a sound card installed in order to use this feature.

## **Help -**

Help menu pops up a Help file. ( This Help File)

## **About -**

Master Developer Inc. About Box.

## **MDI - Master Developer Inc.**

My goal is to create Programs for your needs. Look for future Master Developer Inc. Applications on America Online. This Program was created to assist children in education and to make there experience with computers entertaining as well as educational. It is simple to use & user friendly. It allows your children to educate themselves while having fun. Master Developer Inc. - Edwin David Rivera Sr. I hope you enjoy this application.

If you do not wish to register this application, send me a EMail, tell me what you think.  
America Online - MasterDev

I have a Bad Habit of giving FREE registrations. So EMail me.

## **Disclaimer**

In using this software the user agrees to indemnify the Author and software from damages incurred through misuse or otherwise. No guarantees or warranties are expressed or implied. If the user is unable to comply, the software should be removed immediately. They are not public domain and may not be altered in any way.
