ach Software of the Month Club® CD-ROM will include a selection of program categories from our popular SRI list.   In addition to the normal selection of software from our Games, Latest & Greatest, Kids and DTP clubs you will now receive programs from the SRI.   What this means is that you can be assured that when you use a program from the SRI you know that it is the highest quality.   Why?   Because the SRI is a list of our most popular software.   Below is a list of topics and descriptions in   this months issue.

Please select a Software Research Institute category...

Business   Children's

Desktop Publishing

Education

Games   Special Interest
