FONTS

Iakovos P
A font of caricatures
This font does not contain letters, but 26 portraits of Greek and other personalities from the 19th
century.
(TrueType by Nikos Goulandris)

Marty Bold
Hilarious
This font's crooked letters adds humor to your documents. It's a great font for use at large sizes.

(TrueType by Martin P. Pfeiffer)

Road Signs 1.0
On the road
This collection of road signs is a great addition to your library. Combine them with other traffic signs from Road Warning Signs 1.0, included on this volume.
(TrueType by Benjamin Coifman)

Road Warning Signs 1.0
On the road … again
This is a continuation of the traffic dingbat font Road Signs 1.0, included on this volume. This collection contains warning signs.
(TrueType by Benjamin Coifman)
