If you do not agree to the terms of this license, do not install the Software or use any registration number that was provided with the Software. You may contact the web site or store where you purchased the license for a refund if you have not used the registration number.

1. SOFTWARE. The capitalized term "Software" refers to the computer program known as CuteFTP Version 4.2, any updates or supplemental code provided to you by GlobalSCAPE, the user's manual, any components, any related media and printed materials, and any related "online" or electronic documentation.

2. GRANT OF LICENSE.

Evaluation. If you acquired the license for the Software on an evaluation or trial basis, you may use the Software without charge for thirty (30) days from the day that you install the Software. You must pay the license fee and register your copy to continue to use the Software after the thirty (30) day evaluation period. To pay the license fee and register your copy, you should visit www.globalscape.com or an authorized sales agent. For so long as the Software is the most current version of CuteFTP distributed by GlobalSCAPE, you may give exact copies of the evaluation Software to anyone. You may not charge any fee for the copy or use of the evaluation Software itself, but you may charge a distribution fee that is reasonably related to any cost you incur distributing the evaluation Software (e.g. packaging). You must not represent in any way that you are selling the Software itself. Your distribution of the evaluation Software will not entitle you to any compensation from GlobalSCAPE. You must distribute a copy of this license with any copy of the Software and anyone to whom you distribute the Software is subject to this license. You may not remove any copyright, trademark or reservation of rights language displayed on, in or with the Software.

Registered Copy. When you purchase a license you will be provided with a registration number. You should enable the registered license for the Software by entering the registration number as prompted by the Software. You may use the registered Software on that number of computers for which you have purchased a separate license as indicated on our invoice. If the Software is installed on a network server or other storage device, you must purchase a license for each separate computer on which the Software is used. A license for the Software may not be shared by alternating use of the Software between different computers. The primary user of a computer for which a license has been purchased may make and use one copy of the Software on his or her portable computer. You may also make one copy of the Software for back-up or archival purposes. Otherwise, you may not copy the Software in whole or in part. You may permanently transfer all of your rights under this license provided you transfer all copies of the Software and the recipient agrees to the terms of this license.

3. **RESTRICTIONS.** You may not reduce the Software to human readable form, reverse engineer, de-compile, disassemble or modify the Software, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation. You may not rent, lease, or lend the Software. You may not use the Software to perform any unauthorized transfer of information, such as copying or transferring a file in violation of a copyright, or for any illegal purpose.

4. **SUPPORT SERVICES.** GlobalSCAPE may provide you with support services related to the Software. Use of support services is governed by the user's manual, online documentation, and other GlobalSCAPE materials, as they may be modified from time to time. GlobalSCAPE may use any information you provide as part of obtaining support services for its business purposes, including product support and development.

5. **AUTOMATIC COMMUNICATION WITH GLOBALSCAPE.** To help us accurately count installations of the Software, the Software includes a feature which will communicate with us over the Internet to let us know the Software has been installed and the date and time of installation. As part of this process our server will log your IP address at the time of installation and will assign a unique identifying number to your computer based on system information and the date and time of installation. We do not tie your IP address or the unique identifying number to any personally-identifiable information.

6. **TERMINATION.** This license terminates if you fail to comply with its terms and conditions. If your license terminates, you must destroy all copies of the Software. The termination of this license does not limit GlobalSCAPE's other rights it may have by law.

7. **COPYRIGHT.** You acknowledge that you have only the limited, non-exclusive right to use and copy the Software as expressly stated in this license and that GlobalSCAPE retains title to the Software and all other rights not expressly granted. You agree not to remove or modify any copyright, trademark or other proprietary notices which appear, on, in or with the Software.
