

## Quiz Evaluation Worksheet

**Directions:** Use a search engine such as Alta Vista<sup>™</sup>, Yahoo<sup>™</sup>, or Excite<sup>™</sup> to locate quizzes. Use the following terms to find examples:

- ¥ Sample course with demo quiz
- ¥ Sample quiz test
- ¥ Demo course test
- ¥ Online test demo
- ¥ Learning quiz
- ¥ Quiz question score
- ¥ Online test exam scoring demo

Answer the following questions and reflect on how an adult learner would respond to the quizzes you sampled.

### Questions

1. Were the directions clear?
2. Was the terminology used in the quiz the same as the terminology used in the lesson?
3. Were words repeated in the stem only?
4. Did each question test a single idea?
5. Were the answers sequenced in a logical order?
6. Was "All/none of the above" given as an answer?
7. Was there more than one right answer per question?
8. Were inadvertent clues provided?
9. Were the feedback and score meaningful?
10. Did the quiz demonstrate respect for adult learners?
