

## Yes, I would like to order XLM games from you.

The registration price covers only a keycode, not keycodes and disks if not named extra as "full version". All shareware versions of XLM Games are complete and can be turned into the full version simply by entering a keycode. - Our keycodes always work, please try to enter it again if you think you found the first keycode ever to fail.

All prices listed are subject of change without prior notice.
