

Formula 1 Championship – PC and PlayStation
Ship Date – Winter.

The premier open-wheel racing series joins the EA SPORTS lineup with the launch of Formula 1 Championship. In the tradition of EA SPORTS, Formula 1 Championship allows the player to race as real drivers, in licensed cars and on authentic tracks. The in-depth AI models opponent driver and car characteristics. Pit crew radio communications and team strategy brings home the Formula 1 driving experience. Technical input from Formula 1 teams and drivers ensure the best car dynamics and realism to date.
