### **MOVE YOUR MIND INTO A WHOLE NEW DIMENSION**

Use the PlayStation®Move motion controller to master devious optical illusions in echochrome ii, erect a tower of building blocks in Tumble or guide the Lemmings to safety as the green-haired, accident prone critters make their PS Move debut on PS3™.

- Put your puzzle-solving powers to the test in Tumble, echochrome ii and Lemmings – three great games together on one Blu-ray Disc.
- Swing your PlayStation®Move motion controller to get your body and brain working in perfect harmony.
- Head-scratching and hectic, this triple whammy of fiendishly compelling brain-teasers is ideal for players of all ages.
