I'm (LORD) looking for sceners who play the guitar and have Malmsteen, Steve Vai, Satriani or Tamas Szekeres tablatures.

For some fakes, just call these boards:

- ```
- Number of The Beast (Impulse WHQ, Absolute! WHQ, CJ dist) +36-12914029
- Fatal Connexxion (Faculty WHQ - sysop: Fate, cosysop: lORD) #amielite

### 1.3 What the hell is this file?

====( SCENERS E-MAIL COMPILATION )===== ( iNTRO )=====

More and more ppl get internet access and account recently, and probably not only for leeching the latest Aminet stuffs, but to get in touch with his/her friends, mates, pals, fellows, dogs, cats, enemies and bomb them. Thus the basic idea of this compilation is to help you out with (more or less) the latest e-mail addresses of sceners, no matter what platform they have.

## 1.6 How to support it?

===( SCENERS E-MAIL COMPILATION )===== ( SUPPORT! )=====

If you send me new e-mails, don't use any special chars for BEGINNING  
your handle (e.g instead [lAME.] or ]!\*lAME\*![] aso. write: lAME or  
lAME!..) BUT you CAN use them in your !LOCATiON! wherever you want.  
Or in the other hand, the spec chars from your handle  
will be removed by me!

I want to release an updated list each (or every second?) month, so,  
I NEED YOUR SUPPORT!

---

Cesium is in the army now.  
 Send all your contributions rather to Me (LORD) or to Ghandy...  
 And Send your letters in common language (English) only  
 with your handle and location (i don't want to suck it out of my finger)  
 ... Otherwise i skip them automatically! ...
