Distribution

Although the engines are freeware, and can be freely distributed and used with other applications, MACAST Lite application itself is distributed as shareware. If you like the program, and use it for more than 14 days, you have to purchase it by sending US\$10 to @soft (single user license; site and world-wide licenses are available as well). Otherwise, you must remove the program from your hard drive and discontinue its use.

Why register?

Your purchase will:

- Encourage the authors to continue working on MACAST project;
- Give you \$5 discount for MACAST full version;
- Get extra exclusive bonus appearance skins (look at the picture below);
- Get all future updates of MACAST Lite for free;
- Remove trial warnings and 15 song limitation.

ou can upload MACAST Lite to online services and share with your friends as long as the original package kept intact. To put MACAST Lite on a software collection CD-ROM, a free copy of CD-ROM for @soft is required; commercial distribution and bundling is available too. Please contact @soft for more information.
