Your name: Agree to charges (type yes): date FAXed:

Gator 1.x registration number:_____(from About box)

Note: we will check this number against our customer database. Be sure it's valid! We may ask for additional proof of registration. If you'll be ordering an **upgrade** on the sysop extension form **type in the original user registration number next to the applicable name.** Sysop orders please use extension form for this number (don't type it into this form)

FAX page 1 of this form to: (818) 846-1804.

FAX both pages ONLY if this is a sysop order.

Sysop Order form extension

Print this form to give us the extended information we need for this type of order. You do not need to print this unless you are ordering a single-check sysop-level order! Don't FAX this page unless you are actually ordering a sysop package.

Give us the name of the sysop or "organizer" user who gets the "free" registration below.

Sysop order **freebie copy goes to:**

Enter your ten user names below. Print additional sheets if you need more space or have ordered more than ten copies. If this is an upgrade order, enter 1.x regs after each name. Note: One unique Gator Edit 1.x registration number is required for each $12.00 sysop deal copy ordered, if applicable to this order
