Note OFF
Where [G][x][y] means that you do a Key OFF on last instrument used with this track. If [x][y] is equal to 0, it means stop immediately the previous instrument. If [x][y] is equal to 1, it means generate a Note-Off on the previous instrument.This effect is only usefull in the "Multi-Channel Tracks" mode. If "Multi-Channel Tracks" is not active, this effect has no effect.
