

Opener

docAPP.tiff \Rightarrow **docPS_1.tiff** \neg **docShar.tiff** \neg

docTar_2.tiff \neg **docZ_1.tiff** \neg ...

- **To make suggestions:**

There is a "*Suggestion...*" menu item under "*Info ±>*" which lets you send suggestions to the maintainer. Thanks for your help.

Please let Denise know if you find bugs or make changes appropriate for the next release.
