

Shipping Products for NEXTSTEP

The Shipping Products folder contains listings of many of the applications and peripherals shipping on NEXTSTEP™ for Intel® processors and NEXTSTEP for NeXT™ computers as of September 1993. Products are grouped according to category and are listed only once, even though they may logically fit in more than one category. Browse through to get a general sense of what's available, or use Digital Librarian™ to search for specific products or developers.

Updates of This Listing

New products for NEXTSTEP are being introduced at a rapid pace. Although it's difficult to keep this listing current, we update it periodically. You can obtain the latest version of this listing, and many other kinds of information, through NeXTanswers, NeXT's free information-retrieval system. For NeXTanswers documents by fax, call 415-780-3990 from a touch-tone phone. For NeXTanswers by electronic mail, send e-mail to nextanswers@next.com with the two-word subject INDEX HELP.

More Information About Third-Party Products

As noted in the *Third-Party Software Sampler's* README, you can obtain more in-depth descriptions of these and many more products by calling 1-800-TRY-NeXT to order the complete *Third-Party Products* catalog. For more demonstration software, contact Paget Press by calling 206-448-0845, faxing 206-448-2350, or sending e-mail to info@paget.com to order *The Electronic AppWrapper*™. The CD-ROM that, in addition to demos, provides a direct mechanism to order product licenses.

If You Develop or Consult for NEXTSTEP

The NEXTSTEP Registered Developer and Registered Consultant programs offer benefits to qualified organizations and individuals. If your organization develops commercially available, off-the-shelf products for NEXTSTEP or assists customers with NEXTSTEP networking, system administration, or programming, call 1-800-TRY-NeXT for information about these programs.
