Colophon

NXApp is designed, written, and produced with NEXTSTEP. Proofs are printed on a NeXT 400 dpi Laser Printer. Final pages are transferred to film using NeXT computers and an electronic imagesetter.

About NXApp

NXApp is a quarterly technical journal published by NeXT. It provides timely technical information and thorough examples for programmers who develop NEXTSTEP applications.

Each subscription issue includes a floppy disk that contains an electronic version of the bulletin. The disk can be used with the Digital Librarian™ application to access information on specific topics by searching for keywords.

To subscribe to *NXApp* or inquire about subscriptions, please use the order form in **SubscriptionForm.rtf**.
