Installation of Guinness Screen Saver from CD-ROM

Windows 95:

Insert CD-ROM
Click on the START button
Select RUN
In the box type D:\95\EP1WIN95.EXE

The installation screen will appear. Follow the instructions on screen, once finished a readme file will appear explaining how to use the screen saver.

Windows 3.x:

Insert CD-ROM
Go to PROGRAM MANAGER
Got to FILE
Go to RUN
In the command line D:\31\EP1WIN3X.EXE

The installation screen will appear. Follow the instructions on screen, once finished a readme file will appear explaining how to use the screen saver.

If you haven't already got Video for Windows installed then do the following:

Insert CD-ROM
Go to PROGRAM MANAGER
Got to FILE
Go to RUN
In the command line D:\VIDEO.31\SETUP.EXE

Follow the on screen instructions to complete the install.

Extra Episodes:

There are 2 extra episodes on the CD-ROM, to add them do the following:

Enter in the command line D:\EPISODES\EPISODE2.EXE
Repeat the above line changing the 2 for a 5.

There are lots more episodes to install from the guinness web site at www.guinness.ie
