

NEWSGROUPS AND NEWSREADERS

Featured below is the article about Newsgroups (Introducing Newsnet Newsgroups on page 52) that appeared in the May issue of .net magazine. It is in Adobe's Portable Document Format (PDF), so you will need to have Adobe's Acrobat Reader installed to view.

This is also an appropriate place to provide you with the choice of Newsreaders that appears in the Getting Started section of this CD.

Acrobat Reader [Windows95](#) [Windows 3.1](#) [Apple Mac](#)

Newsgroups in PDF [Windows](#) [Apple Mac](#)

Free Agent [Windows 95](#) [Windows 3.1](#) [Windows 32S](#)

Gravity [Windows 95](#)
