

## You want Madasafish Fast free ISP...with attitude

Madasafish. The name says we're not just any old free Internet Service Provider. We're different. Funkier, faster and friendlier than any other ISP. And freer, too. We're no boring old supermarket chain or dismal corporate subsidiary. Madasafish is completely independent. We run our own network - with superfast connectivity. And our own support centre.

We know what you want from your ISP.

You want it free. Fast. With unlimited webspace, email, newsgroups. You want music, movies, games... We have free fast games servers. Free MP3 music to go. Free movie previews. And stuff.

And we know what you really really don't want.

You don't want downtime, engaged tones and a naff email address.

Top free support - right away

Need help? Call 01851 777727 and one of our ace customer service agents will fix you up right away. And don't panic - it's not a premium rate call (like some other "free" ISPs) just your telephone provider's normal charges...

So that's it then. It's Madasafish for you. You get everything you want - with no downtime and no engaged tones. And you get a Madasafish email address. Sorted.

Well, do you want it or what?
