

Plugins -- Viewing Others' Details

The Unknown tab in the User Details allows you to view the list of plugins that the user has installed on his/her computer. You also have the option to go to the ICQ Plugin Center on the Web in order to download the plugins that you want to install in your own computer. To view your own list of plugins, see [Plugins – Viewing Your Own](#).

To view a user's plugins details:

1. Click on the name of a user on your Contact List and select User's Details.
2. Choose the **Unknown** tab.
3. Click on the **Download From Web** button to be led to the ICQ Plugin Center where you may download ICQ Plugins.

This Help File including Help Cards is provided as a convenience only (See [Welcome to ICQ version 2000a](#)) and is subject to the provisions of the [ICQ Terms of Service](#).
