

## **Runner v1.0 Shareware Installation Notes**

Thanks for trying **Runner**..

On the shareware installation diskette you will find the following files.

RUNNER.EXE	: The <b>Runner</b> Program
RUNNER.HLP	: The <b>Runner</b> Help File
RUNNER.DAT	: The <b>Runner</b> Sample Game
LEVEL01.MID	: <b>Runner</b> Music file
LEVEL02.MID	: <b>Runner</b> Music file
LEVEL03.MID	: <b>Runner</b> Music file
README.WRI	: This File
BBS.TXT	: A text file description of <b>Runner</b>
JOYSTICK.ZIP	: Windows Joystick Driver (compressed)

To install the shareware version of **Runner**, copy all of the files, except JOYSTICK.ZIP to the desired subdirectory on your system.

The JOYSTICK.ZIP file contains the files necessary to use a joystick from within Windows. This is a Microsoft supplied, but unsupported, driver and is optional. If you have a joystick connected to your system and do not already have a vendor supplied joystick driver, unpack JOYSTICK.ZIP to a floppy disk and follow the instructions contained within to install the driver.

**Runner** makes no modifications to your WIN.INI file.
