### **Famous people with same sign:**

Napoleon Bonaparte, August 15, 1769

Mae West, August 17, 1893

### **Decans:**

July 23 - 31

Have the core of the leo personality. Most descriptions of the sun sign fit you better than they would fit the other decans of this sign. You are the most dramatic the most loyal and the most talked about.

August 1 - 11

Makes you more talkative than the natural Leo, abundance usually manifests itself in your conversation. Though not quite as

outgoing as the typical Leo. You are more trusting.

August 12 - 22

You are much more personally aggressive than other Leo. You have a strong need to be first and to lead coupled with your Leo desire for the spot light. Those of you born August 20 - 22 have a slight Virgo influence which would increase an analytical abilities, thus making you more perceptive than other Leo.
