January 21 to February 19

Sign number # 11

Ruler - Uranus

Element - Air

Quality - Fixed

Key Words - Independence, originality

Ego - I Know

Other key words human, humanitarian, idealistic, brotherly. This person seeks to improve the love of their fellowman. Gain much of their power through their intellect like Libra. The other air signs are detached impersonal and believe in justice for all. Because of their detachment, they may have difficulty in forming close relationship and they should recognize that they were born to function impersonally.

They become set in their ways early in life but because of Uranus ruler ship, they are prone to make sudden decision and shift in their opinion through ideas and plans. The native have a great need to be free, also functioning better in relationship base on friendship. The native have the ability to make their own circle of

friends and associates, letting action revolve around them. When they seek power they can become dictatorial. They have an exclusive dreamy quality in their personality yet they also can display duty and logic. This native is a basic loner. They are very honest and faithful. The best Aquarius investment is research and development or anything that has to do with electrical engineering.

### **Health:**

Usually in good health. Weak spots are ankles which may be subject to swollen because of the polarity of the opposite sign Leo which rules the heart. The swollen ankles may signify improper heart action or circulation. Being a highly positive person most Aquarius live in a perpetual state of optimism and the native does not really dwell on negative thinking.

### **Best:**

Best partner - Gemini, Libra, Scorpio
