

Virgo

VirgoW.tiff ↵

Virgo.tiff ↵

August 23 to September 22

Sign number # 6

Ruler - Mercury

Element - Earth

Quality - Mutable

Key Words - Methodicalness, service

Ego - I analyze, I discriminate

Virgo individuals function best in service to others, therefore, making excellent doctors and nurses. They are painstaking. They love detailed work they are not crazy about large loads of work. They like detail but in limitations. Highly analytical and very often overly critical. Highly intelligent, often have literary gifts. Do have to learn to control their critical nature, if they do not learn this, they tend to slow down progress or become spoiled. They carry out duties perfectly and like good workmanship. Men love to tinker on machinery.

Although they are snobs at heart they are often agreeable companions. Their behavior with the opposite sex is usually correct, tending to be puritanical. They tend to put their love on pedestal. They also can be very discriminating. Meticulous,

modest, tidy, fussy, hyper critical over fastidious abnormally conventional finicky. They are very hard workers, extremely practical and have a great appetite for detail. They have a lot of nervous energy to burn.

Health:

Need to eat fresh fruits and vegetables. Complimentary for constipation. Extreme on hygiene.

Best:

Best partner - Taurus, Cancer, Scorpio, Pisces, Capricorn

Best financial advisor - Libra

Best Boss - Gemini

Best subordinate - Aquarius

Best doctor - Aquarius

Famous people with same sign:

Michael Jackson, August 29, 1958

Decans:

August 23 to 31

You are the communicator of the sign, perpetually young, always active and visible.

September 1 to 11

You are more conservative than the other virgo sign, having a great mental discipline and finely tuned senses. This particular Decans also seems to live longest.

September 12 to 22

You are probably considered a person with above average taste, wearing the Virgo perfectionist with ease and on you it becomes a beautiful sense of discriminating judgement, particularly in the realm of the arts. You no doubt have a magnificently furnished home and you are somehow creatively involved.
