September 23 to October 22

Sign number # 7

Ruler - Venus

Element - Air

Quality - Cardinal

Key Words - Harmony, companionship, balance

Ego - I Balance

Libra is a very justice-conscious sign, charming, prize-winning, loving harmony, pleasant living conditions, easy-going personality, romantic (sometimes more mental than physical) diplomatic, usually tactful, idealistic and can be very refined (according to aspects). Can be indecisive, resentful, frivolous, changeable, easily influenced by others, gullible, oscillating between two extremes. In all spheres of life they need to express themselves and other people must accept that expression generously and fully or they can forget ever knowing a Balance.

A favorite complaint of a Balance person is it is not fair that I am treated that way after all have done for him. Hating quarrels. They function best through partnerships. They are very practical. They are very cool and detached. They can be perfect

middlemen keeping their feelings well under control. They also like to be on the winning team. Career line - anything dealing with the public and also works very well with arts and crafts. The Libra usually has two marriages because they marry young in life (Need for partnership).

### **Health:**

The Libra needs a lot of water at least eight glasses a day. The kidneys are their main illness along with intestines and lower back. Worst career mistake - passive. Biggest financial weakness - waiting too long to buy something they want and art.

### **Best:**

Best Financial advisor - Scorpio

Best boss - Cancer

Best subordinate - Pieces

Watch out for - Virgo

### **Famous people with same sign:**

Mohandas Gandhi, October 2, 1869

Bruce Springsteen, September 23, 1949

### **Decans:**

September 22 to October 1

The gentle sign of the zodiac. The true libra. Their judgment is the sharpest and yet the kindest and most pronounced.

October 2 to 11

You have a more eccentric way and a fine original flair. You are advanced in your thought and natives of the decans include some of the most intellectually brilliant of the sign.

October 12 to 22

Strong mercurial influence, you are restless, talk a great deal, have a low boredom quotient and this reduces the tolerance considerably.
