

NEXTSTEP

Title: Documentation NeXTanswers Overview

Entry Number: 2047

Creation Date: October 13 1995

Last Updated: <<Date June 17, 1997>>

Keywords: documentation, manpage, installation

Overview

The documentation files in this directory are here for one of two reasons:

- 1 It is inconvenient or impossible to view them when you really need them (such as at installation time).
- 2 The file is a replacement for documentation that is missing or wrong in the current release of NEXTSTEP.

List of Files

Here are some UNIX manual pages that are convient to have during installation:

2048_pico_manpage.txt
2049_mount_manpage.txt
2050_fstab_manpage.txt
2051_driverLoader_manpage.txt
2052_fdisk_manpage.txt
2053_disk_manpage.txt
2054_fsck_manpage.txt

The Developer Documentation file Application.rtf that shipped with Developer 3.3 has the contents of ActionCell.rtf.

Here is the actual Application.rtf.
