

# NEXTSTEP for Intel Processors

**Title:** Cogent EISA Ethernet Adapter

**Entry Number:** 1615

**Last Updated:** <<Date June 17, 1997>>

## **Product Vendor:**

Cogent, Inc.

Phone: (800) 426-4368

Direct Sales contact is Barre Pearson (barre@cogentdata.com)

## **Distributor:**

Micro Central

Phone: (800) 836-4276

**Keywords:** network, ethernet, EISA, hardware, intel

## **Usage Commentary**

Provides high-speed EISA-based ethernet support for NEXTSTEP. Supported cards are the Cogent eMASTER+ EM932 EISA and the Cogent eMASTER+ EM935 EISA XL.

Both versions of the adapter support thick coax, thin coax, and twisted pair.

# Setup and Installation

See NeXTanswers document 1564 (Cogent EISA Driver.ReadMe.rtf) for installation details.

## Release 3.3

See NeXTanswers document 1815\_Weitek\_Power\_9000\_Driver\_Overview.rtf

# Known Problems

No known problems.
