

About Byte Logic

Thank you for taking an interest in our software product. Please fill in **page 1** of the order form. **Page 2** is optional but it gives Byte Logic a more understanding of you and your computer specification.

If you wish to pay for this product via **Paypal** please email us at bytelogic@dodo.com.au

It is and always has been our policy not to sell, rent or distribute our customer's information to any one. Your personal information will always remain private. We collect information (your personal details) only to store information about sales in our accounting records. You will only be contacted by Byte Logic, if (1) you request further product information in regards to product updates and (2) if you request future information about additional products.

Visitors of the website will not have their privacy breached. Byte Logic will protect all visitors' privacy and sensitive information.

Byte Logic **will only** store your name, mailing address, telephone number, email address and information about the product you purchased in our customer database for accounting purposes. If you wish to discuss this any further please contact Byte Logic by mail or e-mail.
