(**)   I can contact the post office only for tracking of the package if the delivery method is "Registered Postal airmail"; DHL delivery is optional available for around $85 - the cost depends on the destination.
(***)   We will charge your credit card in EUROs. So, the charged price me vary a bit (depending on the current exchange rate).

Important note for U.S. customers:
I have lost a lot of packages in the U.S. So, please order with registered mail (this is required for tracking your package). Or order only the key.
