Specify what size disk you prefer.

PATRIOT

Command PATRIOT missile batteries in defense of incoming SCUD missiles. As you control three missile batteries you must choose which battery is best suited for intercept and time your launch to reach the incoming warhead before it destroys your city. Each battery must be reloaded after a shot requiring you to toggle between batteries to get one that is ready to fire. The challenge increases as the SCUDS increase in number and speed. Will YOU be able to save your cities from the Iraqi scourge.

ALIENS

The Aliens are coming. You must shoot them down to save the planet but be careful, they can fight back. ARE YOU UP TO THE CHALLENGE.

REVERSAL

This is a mind game. You must put the random number sequence in order. There is a sure fire solution. Can you figure it out.

Shareware Restrictions

This is a shareware product therefore some functions are restricted.

1. You will not be able to exceed the stop score.
2. You will not be able to save a game.
3. You will not be able to create and new board set.
4. You will not be able to add, modify, or delete the boards.

To remove all of these restrictions and recieve 3 more games just register the game.
