

Introduction

The ICQ Chat With A Friend feature allows you to find other online ICQ users who have made themselves available for random chats. This feature also allows you to make yourself available to other ICQ users. Use these features to find a chat partner to discuss similar interests, to make a new friend, or just when you feel like chatting and the users on your Contact List are not available for a chat.

Use ICQ Chat to make new friends and to keep in touch with old ones. See ICQ Chat in the Main Help File. Exchange messages with people on the other side of the world. See also Messages – Receiving in the Main Help File.

This Help File including Help Cards is provided as a convenience only (See * Welcome to ICQ version 2000b) and is subject to the provisions of the [ICQ Terms of Service](#).

Chat With A Friend - Opening

The ICQ Chat With A Friend feature allows you to find other online ICQ users who have made themselves available for random chats.

To request a Chat With A Friend:

1. In the ICQ Window, click on your **Status**  bar (in the bottom right corner of the ICQ Window) to display the pop-up menu of Availability-Status modes. Select **Chat With A Friend** to display the pop-up menu of options.
2. Select **Find a Chat Partner** to display a **Chat With A Friend** dialog and begin your search for a random user.
You may also click on the **Chat With A Friend** button at the bottom of your Contact List.
Alternatively, from the **ICQ** button, choose **Add/Invite Users** and select **Chat With A Friend**.
Enter whichever of the following personal details you wish, to enable other users to learn about you and your interests and request chats with you.
 - Click on the **Select a Group** arrow to display the pull-down menu of chat groups in the **Finding** tab. Select the group with which you want to be affiliated.
 - Enter the topic/interest that you want to chat about in the **Enter Your Chat Topic/Interest** field in the **Details** tab.
 - Enter your first name or nickname in the **Enter Name** field.
 - Enter your age in the **Enter Your Age** field.
 - Select your gender from the **Gender** pull-down menu.
 - Select the language in which you would like to chat from the **Select Language** pull-down menu.
 - Select your country in the **Select Country** pull-down menu.
 - Enter the URL of your ICQ Personal Homepage or other homepage in the **Homepage** field.

Please note: Providing any information about yourself on the ICQ Service is voluntary. The more information you provide about yourself the easier it is for your friends to locate you on ICQ. Information you do provide is visible to, and may be obtained and kept by other people.

You have the following additional options:

- Click on the **Web Guide** button to get more information of the Chat With A Friend feature on the Web.
- Click on the **ICQ White Pages** button to go to the [White Pages](#) on the Web where you can search for friends.
- Click on the **Save** button and on the **Done** button to save the details you've entered and close the dialog. You will then be available for chat with a partner that finds you.
- Click on the **Continue to the Search** button or choose the **Finding** tab to begin the search for a random friend.
- Click on the **Group** arrow to display the pull-down menu of chat groups. Select the group with which you want to be affiliated, if you have not done so previously. (You may select only one group.)
- Click on the **Find an Online Chat Friend** button to begin your search for a chat partner. Click on the **Stop Search** button if you wish to interrupt the search.

When the ICQ server has located a random chat partner, the user's details will appear in the **Information on Random User** pane of the dialog (if the user entered details in the **Details** tab).

You may choose from the following options.

- Click on the **Request Chat** button to request a chat session with the random user.
Please note: Sending a chat request will enable the recipient and any other user who joins the chat session, to view your IP address.
- Click on the **Send Message** button to send the user an ICQ message.
- Click on the **Send URL** button to send the user a Web page address.
- In addition, you may choose from the following options on this dialog before, during, or after your search.
- Click on the **Chat With A Friend** button to access the ICQ Web site, via your browser, for online information about Random Chat.
- Click on the **Close** button to exit the **Chat With A Friend** dialog.

Chat With A Friend - Responding to a Request

When a user sends you a Chat request, the user's ICQ# or name will appear in your ICQ Window under the heading **Random**.

To respond to a Chat request:

Double-click on the flashing icon of the user in your desktop tray or beside the user's ICQ# or name on your Contact List to accept his or her incoming event.

See: Messages – Responding and Chat – Opening in the Main Help File.

Please note: Accepting a chat request will enable the sender and any other user who joins the chat session to view your IP address.
