

Installation Requirements:

Software Required:

- Microsoft Windows 95, 98, ME, XP or 2000
- Microsoft Internet Explorer (IE) Version 5.5 or later
- Microsoft DirectX Version 7.0 or later

Hardware (Recommended Minimum Requirements):

- Processor : Pentium II 200MHz
- Video card : 4MB VRAM (8MB preferred)
- Main Memory : 128MB RAM preferred
- Disk Space : 500MB (2MB for Browse3D software, the rest for IE temporary files)

Recommended Display Settings:

- Color Depth Setting: 16 bit (high color) required
- Screen Area Setting: 1024x768 (or higher not to exceed 1400x1050)
- Graphics Hardware Acceleration Setting: FULL (Required)

Note: When using a 4MB graphics card additional RAM is suggested.
