a zillion thanks to:
Alessandro Levi Montalcini, who helped me make the program rock-solid, was a great beta tester and tolerated my late-night phone calls.
Michael Norris, who has given me many ideas for new effects.
Craig O'Donnell, whose suggestions and encouragement were invaluable and his wonderful Cool Mac Sounds books provided me with inspiration.
Jeff Baudin, for masterminding custom user effects.
Jamie McCarthy, for his great ideas and help with plug-ins.

more thanks to:
