## hp photosmart 1115

photo-direct inkjet printer

The HP Photosmart 1115 prints photos directly from a wide range of digital cameras. And you don't have to switch on your computer to get printouts on the spot, using the simple control panel and the two built-in card readers. As versatile as an HP Deskjet, it offers HP's ultimate photo quality as well as perfect results for everyday documents on plain paper. So you can use your photo printer for everyday printing, too.

### ultimate photo quality from HP

HP Photoret III precision technology and alternative 2400 x 1200 dpi mode on premium photo papers produce great images in vibrant, true-to-life colours, yet vivid on any type of paper. HP Photoret III precision technology accurately layers ultra-small drops on the media and combines them intelligently so as to extend the printer's colour palette. HP Colorsmart III automatically adjusts the printer's settings to the type of document, and optimizes low resolution images from the Internet.

### direct printing from your digital camera

With the HP Photosmart 1115, you can print directly from your digital camera, using the built-in readers for CompactFlash™ and SmartMedia™ memory cards. Simply insert the card into the reader and print, without a computer. You can change the size of the prints, select just some of the images, print multiple copies, print an index page, and adjust the page layout from photo album to paper save mode.

### photo-friendly features

Photo-friendly features include a button that uploads the content of the memory card to the computer and a print cancel button that instantly stops a print job so you save ink and paper. The low-ink indicator lets you know when you should be ready to replace an ink cartridge. An additional tray for 10 x 15 cm photo paper makes it easy to print on various media types.

## technical specifications

print technology	drop-on-demand thermal inkjet.			
printhead nozzles	300 black ink nozzles, 12 kHz maximum firing frequency. 408 colour ink nozzles (136 per colour), 18 kHz maximum firing frequency.			
print speed (pages per minute)	dependent on type and print mode			
	document type	draft	normal	best
	black text A4	12.0	5.1	4.4
	mixed text/colour graphics A4	10.0	3.6	2.5
	10 x 15 cm colour photo (plain paper)	n/a	1.0	0.6
	full page colour A4	2.9	0.6	0.3
print quality	output black colour	best 600 x 600 dpi with pigmented black ink HP Photorel III precision technology, alternative 2400 x 1200 dpi mode on premium photo paper		
colour technology	HP Photorel III precision technology, HP Colorsmart III			
operating systems compatibility	Microsoft® Windows® (98, Me, 2000, XP-32bits); Mac OS 8.6, 9.1, X (Mac OS X: no "save" button)			
minimum system requirements	Pentium® II 300 MHz, 64 MB RAM and 250 MB free disk space or processor G3-G4 with built-in USB, 64 MB and 200 MB free disk space ; video SVGA/16bits, CD-Rom 4x			
memory	16 MB			
printer languages	HP PCL level 3 enhanced, PML, compatible with DPOF 1.0			
cartridge alignment	+/- 0.05 mm; automatic alignment with built-in optical sensor			
duty cycle	3000 pages per month			
features	<ul style="list-style-type: none"><li>– built-in readers accept CompactFlash™ and SmartMedia™ memory cards (max 528 MB), and IBM MicroDrive™ (max 170 MB)</li><li>– supported image file formats: EXIF 2.1 and DCF (JPEG Baseline, TIFF 24 bits RGB uncompressed, TIFF 24 bits YcbCR uncompressed); not supported: JPEG 2000, Flashpix, compressed TIFF, RAW, extended forms of JPEG generated with applications, monochrome JPEG</li><li>– print cancel button on the front of the printer</li><li>– features available on direct printing (user not forced to go through all steps): select photos, printed size, number of copies</li><li>– options available on direct printing: define default paper type and size, turn page layout from photo album to paper saver, adjust photo brightness, clean the print cartridges and print a test page</li><li>– software included: HP photo imaging for easy photo editing, printing, adjusting, creating your own photo album and more (Windows® only), ACDSee for photo previewing and sorting (Windows® and Mac OS), ArcSoft PhotoImpression 3.0 (Windows® and Mac OS)</li></ul>			
recommended media weight	one-sided or manual two-sided printing: paper 60 to 200 g/m², banner paper 60 to 90 g/m², envelopes 75 to 90 g/m², cards up to 200 g/m², photo all weights accepted; automatic two-sided printing: paper 60 to 160 g/m², cards up to 160 g/m²			
media sizes	<b>standard:</b> A4, A5, B5, DL, C6, A6 <b>custom:</b> 77 to 216 mm width, 77 to 356 mm length			
media types	paper (plain, inkjet, photo, glossy), envelopes, transparencies, labels, cards, banner paper			
media handling/input	media type	up to		
	sheets	100 (80 g/m²)		
	banners	20		
	envelopes	15		
	cards	30		
	transparencies	25		
	labels/A4 sheets	20		
	10 x 15 photo	20		
paper input trays	<b>standard:</b> 1 multisize tray and 1 photo tray (10 x 15 cm)			
media handling/output	media type	draft		
	sheets	50		
duplex printing	<b>two sided printing capability:</b> automatic (optional)			
power requirements	input voltage 100 – 240 V AC (+/- 10%), 50/60 Hz (+/- 3 Hz)			
power consumption	4 watts maximum when off, 40 watts average when printing			
interface and connectivity	IEEE 1284 – Centronics parallel compatible, Universal Serial Bus (USB) 1.1, CompactFlash™ and SmartMedia™ card readers (528 MB max), compatible with IBM MicroDrive™ (170 MB max)			
dimensions (w x d x h)	435 x 369 x 196 mm			
product weight	6.5 kg			
operating environment	<b>environmental ranges</b> operating humidity: 20 to 80% RH non-condensing recommended operating temperature: 15 to 35° C storage temperature: -30 to 65° C <b>noise level per ISO 9296</b> sound power: 4.5 B(A), sound pressure: 45 dB(A)			
ENERGY STAR	yes			
supplies life	black cartridge no. 45 (42 ml): 833 pages at 5% coverage in normal mode¹ colour cartridge no. 78 (19 ml): 450 pages at 15% coverage (5% per colour) in normal mode² colour cartridge no. 78 (38 ml): 970 pages at 15% coverage² (5% per colour) in normal mode²			
warranty	1 year limited hardware warranty
