OTHER PRODUCTS Y2K STATUS

HP has taken all necessary steps to ensure our product testing accuracy. However, because each customer site is different from HP's test environment, it is the customer's responsibility to validate the Year 2000 readiness of these products in your own environment. The Year 2000 information about HP palmtop PCs is provided "as is" without warranties of any kind.

FURTHER INFORMATION

For Further information, Please feel free to look at HP's Year 2000 Site.
