NOTICE TO USER:

THIS IS A CONTRACT. BY INDICATING YOUR ACCEPTANCE BELOW, YOU ACCEPT ALL THE TERMS AND CONDITIONS OF THIS AGREEMENT. This Adobe Systems Incorporated ("Adobe") End User License Agreement accompanies an Adobe™ software product ("Software") and related explanatory written materials ("Documentation"). The term "Software" shall also include any upgrades, modified versions, updates, additions, and copies of the Software licensed to you by Adobe. This copy of the Software is licensed to you as the end user or your employer or another third party authorized to permit your use of the Software. "You" as used in the remainder of this License Agreement refers to the licensee. Adobe may have a written agreement with the licensee that varies some of the terms of this Agreement. The licensee must read this Agreement carefully before indicating acceptance at the end of the text of this Agreement. If you are the licensee and you do not agree with the terms and conditions of this Agreement, decline where instructed, and you will not be able to use the Software.

Adobe grants to you a nonexclusive license to use the Software and Documentation, provided that you agree to the following:

1. Use of the Software.

You may

- Install the Software in a single location on a hard disk or other storage device of up to the number of computers indicated in the upper right hand corner ("Permitted Number of Computers") of this Agreement.
- Provided the Software is configured for network use, install and use the Software on a single file server for use on a single local area network for either (but not both) of the following purposes:
 - (1) permanent installation onto a hard disk or other storage device of up to the Permitted Number of Computers; or
 - (2) use of the Software over such network, provided the number of different computers on which the Software is used does not exceed the Permitted Number of Computers. For example, if there are 100 computers connected to the server, with no more than 15 computers ever using the Software concurrently, but the Software will be used on 25 different computers at various times, the Permitted Number of Computers for which you need a license is 25.
- Make one backup copy of the Software, provided your backup copy is not installed or used on any computer.

HOME USE. The primary user of each computer on which the Software is installed or used may also install the Software on one home or portable computer. However, the Software may not be used on the secondary computer by another person at the same time the Software on the primary computer is being used.

FONT SOFTWARE. If the Software includes font software, you may

- Use the font software as described above on the Permitted Number of Computers and output such font software on any output devices connected to such computers.
- If the Number of Permitted Computers is five or fewer, download the font software to the memory (hard disk or RAM) of one output device connected to at least one of such

computers for the purpose of having such font software remain resident in the output device, and of one additional such output device for every multiple of five represented by the Number of Permitted Computers.

- Take a copy of the font(s) you have used for a particular file to a commercial printer or other service bureau, and such service bureau may use the font(s) to process your file, provided such service bureau has informed you that it has purchased or been granted a license to use that particular font software.

2. Copyright. The Software is owned by Adobe and its suppliers, and its structure, organization and code are the valuable trade secrets of Adobe and its suppliers. The Software is also protected by United States Copyright Law and International Treaty provisions. You must treat the Software just as you would any other copyrighted material, such as a book. You may not copy the Software or the Documentation, except as set forth in the "Use of the Software" section. Any copies that you are permitted to make pursuant to this Agreement must contain the same copyright and other proprietary notices that appear on or in the Software. You agree not to modify, adapt, translate, reverse engineer, decompile, disassemble or otherwise attempt to discover the source code of the Software. Trademarks shall be used in accordance with accepted trademark practice, including identification of trademark owner's name. Trademarks can only be used to identify printed output produced by the Software. Such use of any trademark does not give you any rights of ownership in that trademark. Except as stated above, this Agreement does not grant you any intellectual property rights in the Software.

3. Transfer. You may not rent, lease, sublicense or lend the Software or Documentation. You may, however, transfer all your rights to use the Software to another person or legal entity provided that you transfer this Agreement, the Software, including all copies, updates and prior versions, and all Documentation to such person or entity and that you retain no copies, including copies stored on a computer.

4. Multiple Environment Software/Multiple Language Software/Dual Media

Software/Multiple Copies. If the Software includes, or, in connection with the acquisition of the Software you receive, two or more operating environment versions of the Software (e.g. Macintosh[®] and Windows[™]), two or more language translation versions of the Software, the same Software on two or more media (e.g., diskettes and a CD-ROM), and/or you otherwise receive two or more copies of the Software, the total aggregate number of computers on which all versions of the Software are used may not exceed the Permitted Number of Computers. You may make one back-up copy, in accordance with the terms of this Agreement, for each version of the Software you use. You may not rent, lease, sublicense, lend or transfer versions or copies of the Software you do not use, or Software contained on any unused media, except as part of the permanent transfer of all Software and Documentation as described above.

5. Limited Warranty. Adobe warrants to you that the Software will perform substantially in accordance with the Documentation for the ninety (90) day period following your receipt of the Software. To make a warranty claim, you must return the Software to the location where you obtained it along with a copy of your sales receipt within such ninety (90) day period. If the Software does not perform substantially in accordance with the Documentation, the entire and exclusive liability and remedy shall be limited to either, at Adobe's option, the replacement of the Software or the refund of the license fee you paid for the Software. ADOBE AND ITS SUPPLIERS DO NOT AND CANNOT WARRANT THE PERFORMANCE OR RESULTS YOU MAY OBTAIN BY USING THE SOFTWARE OR DOCUMENTATION. THE FOREGOING STATES THE SOLE AND EXCLUSIVE REMEDIES FOR ADOBE'S OR ITS SUPPLIERS' BREACH OF WARRANTY. EXCEPT FOR THE FOREGOING LIMITED WARRANTY, ADOBE AND ITS SUPPLIERS MAKE NO WARRANTIES, EXPRESS OR IMPLIED, AS TO NONINFRINGEMENT OF THIRD PARTY RIGHTS, MERCHANTABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE. IN NO EVENT WILL ADOBE OR ITS SUPPLIERS BE LIABLE TO YOU FOR ANY CONSEQUENTIAL,

INCIDENTAL OR SPECIAL DAMAGES, INCLUDING ANY LOST PROFITS OR LOST SAVINGS, EVEN IF AN ADOBE REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, OR FOR ANY CLAIM BY ANY THIRD PARTY.

Some states or jurisdictions do not allow the exclusion or limitation of incidental, consequential or special damages, or the exclusion of implied warranties or limitations on how long an implied warranty may last, so the above limitations may not apply to you. To the extent permissible, any implied warranties are limited to ninety (90) days. This warranty gives you specific legal rights. You may have other rights which vary from state to state or jurisdiction to jurisdiction. For further warranty information, please contact Adobe's Customer Support Department.

This Agreement will not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded. If any part of this Agreement is found void and unenforceable, it will not affect the validity of the balance of the Agreement, which shall remain valid and enforceable according to its terms. You agree that the Software will not be shipped, transferred or exported into any country or used in any manner prohibited by the United States Export Administration Act or any other export laws, restrictions or regulations. This Agreement shall automatically terminate upon failure by you to comply with its terms. This Agreement may only be modified in writing signed by an authorized officer of Adobe.
